2025 Shipped Semen Procedures Sheet

1. **SEMEN COLLECTION/SHIPPING DAYS** are Mon/Wed/Fri. MWF collections may be sent via Fed Ex overnight delivery or via airline (Delta/American ONLY) for same-day delivery. There is a \$15 Saturday Delivery surcharge due to additional UPS/FedEx fees for shipments shipped on Friday to arrive on Saturday. We regret having to increase shipping prices, however, due to annual increases by UPS/FedEx for the past several years without a corresponding increase on our part, we had no choice. Please be sure to complete and return the "Shipped Semen Information Sheet". It is a good idea to keep a copy for your own reference.

2. **REQUESTS FOR SHIPMENTS** must be made, by phone, to Premier Breeding Services no later than 9:00 am MST on collection/shipping days. If the Stallion Owner is notified of the request, please be sure to also notify Premier Breeding Services. (Requests for same-day airline shipments should be made earlier than 9:00 am MST, if possible, as flight schedules are limited.) When possible, please notify Premier Breeding Services of your mare's reproductive status so that a shipment date may be anticipated then follow up with the final order. Requests will be honored in order of receipt.

3. **PAYMENT** arrangements must be completed *prior* to shipment of semen. Visa and Mastercard are accepted (see authorization below). Shipments will be billed at the rate of \$425.00 (US) per shipment/per mare for overnight weekday delivery (domestic) with a Saturday surcharge of \$15.00. Same-day DIA or COS airline delivery (for domestic pickup only) will be charged an additional \$175.00 courier fee.

4. **CONTAINER RETURN** is required within 48 hrs after insemination to avoid late fees. Please DO NOT return the units via US Mail as they do not deliver directly to our facility. Fed Ex or UPS is fine. We recommend that you insure Equitainers for \$300.00 in case of loss of contents or the entire unit. Equitainers not returned to Premier will incur a \$300.00 replacement charge. Styrofoam shipping containers not returned will incur a \$30.00 charge.

5. **FROZEN SEMEN** will be shipped domestically via 2 day or longer service at the above rates. Overnight service will incur an additional fee determined by the destination. International shipments will be quoted.
